

Logo

Group Pharma is a medium sized pharmaceutical company with almost 40 years' experience and proven expertise in dental and oral care. We have an employee strength of 600 plus. At Group Pharma we manufacture and market a wide range of niche oral hygiene products that cater to consumers with specific dental and oral conditions combining nature provided goodness as well as newly researched ingredients.

Some of our products are pioneers in their segments. Our bioactive glass based toothpaste, enzyme-based whitening toothpaste, etc have carved out new segments within oral care.

FINAL TOUCH

"The concept of the logo takes inspiration from the vision of the company. The upward arrow indicates the aspiration for constant growth and its circular structure is representative of the cohesiveness of sharing the same values and commitment that have been the pillar of Group Pharma"
