Beauty in conversation with stones...!!!

Stone, one of the God's gift to mankind is found in different colours and tones. To rekindle it and make it worth for using its beauty, Pahariya Stones bring to you full fledged lively colours and unique textured stones processed for both interior as well as exterior applications. Today, Pahariya stones is associated with who's who list in the construction industry. Be it high class residence, villas, apartments, malls, hotels & other infrastructure projects, you name it, we are there.

Our confidence is based upon our ability to respond flexibly to our customer's needs for both large and small projects, our experience and detailed knowledge of the granites & marbles industry, our competitive prices and the excellent comprehensive services we provide for a very wide range of customers.

Our endeavor is to bring you the finest quality marbles and granites created by nature. We pride ourselves on our superior inventory, service, dedication and professionalism acquired from years of experience, enabling us to meet and exceed the industry standards. Our strength lies in providing solutions to market demands and trends, sustaining itself through innovation, technology and customer service.

With a sheer sense of dedication and commitment the company has put forward all possible efforts to deliver flawless products suited to the needs and requirements of our architects, builders and other vast segments of clients at an attractive price.

We offer customized material solutions to customers. Be it supply of slabs, cut-to-size material, different and unique stone finishes like mirror polish, honed, flamed, antique, leather, sandblast, gianno and other customized finishes as required by the builders and architects.

Get ready to over indulge on the world's most beautiful stones...!!!
